

-- Mile Marker #142 Rest Area is a good place to meet just north of Tacoma. Easy Off/On access on I-5. I think there's usually free coffee.

-- Exit 127 McDonald's is at the interchange of I-5 and Hwy 512. This is where the Lakewood and some Tacoma guys usually meet to caravan to events going on up north.

-- Exit 111 Marvin Rd. There's a truck stop here. This would be a good place to meet people between Olympia and Tacoma.

-- Mile Marker #91 Rest Area is a good place to meet just prior to entering the Puget Sound population base. It's just south of Olympia. It usually doesn't have coffee.

-- Mile Marker #60 Rest Area is a nice stop. It has clean restrooms and almost always has free coffee.

-- Mile Marker 11 or 14 Rest Area. I can't remember for sure. This is a very good spot to meet the last of the Oregon and first of the Washington crowd. It's just north of where I-5 and I-205 join.
